

SONLIGHT GRAPHICS & MEDIA

...unique freelance design with integrity

- Unique experienced design skills for print, web sites, presentations, photography, video and audio . Creative conceptual ideas with attention to excellence.
- Print, presentations and web site design support at Pikes Peak Christian Church with time-sensitive printed promotional outreach media and marketing pieces supporting all ministries.
- Booklet for International Bible Society entitled *Bible, Babel and Babble*, also a Spanish translation... distributed world-wide.
- Was in charge of several secret strategic on-site presentations for 3-Star Generals. Created hand-drawn and computer designed technical illustrations for defense system needs.
- Prior to the media industry, I worked as an engineering secretary.

Adobe CS3, Corel 11, DreamWeaver, MS PowerPoint & Word, special effects Photoshop filters, some video/audio & editing, flash and digital photography. Some Quark & Mac experience.
